explore their creativity. These groups
are open to anyone who wants to
explore their own creativity in the
context of an art therapy approach.
(This is an ideal workshop for those
thinking of going into art therapy for a
career or trainees who are looking for
more experience of group work.)
Each week you will take home your
artwork so you are advised to bring an
A-1 sized portfolio or something to
carry your work in. If a painting is too
wet to take home it can be left until the
following week.
